Amazon.com: Customer reviews: PDR for Nonprescription ...
The Prescriber's Digital Reference is a compilation of manufacturers' prescribing information on prescription drugs, updated regularly. The original PDR was titled "Physician's Desk Reference" but was renamed because not all prescribers are physicians and the reference is no longer a hardback book stored on a desk. While designed to provide physicians with the full legally mandated information relevant to writing prescriptions, it is widely available in libraries and bookstores, widely used by o
