Angelology is the section of systematic theology that focuses on the study of angels. A study of the Bible's teachings regarding angels provides much understanding regarding their existence, purpose, and work in this world and beyond. Angelology also includes the study of fallen angels or demons, called Demonology, and well as the study of Satan, called Satanology.

This Messianic Bible Study is a study on the angels of God, that is, on what the Bible teaches about good angels, those angels who did not fall. Theologically, this area of study is known as Angelology or the Doctrine of Angels. There are three main divisions of Angelology. First, Angelology Proper, which is the Doctrine of Unfallen Angels.

[ANGELOLOGY: THE DOCTRINE OF THE ELECT ANGELS](#)

Answer: Angelology is the study of angels. There are many unbiblical views of angels today. Some believe angels are human beings who have died. Others believe that angels are impersonal sources of power. Still others deny the existence of angels entirely. A biblical understanding of angelology will correct these false beliefs.

In the Panorama Bible Study The Study of Angelology, Alfred Thompson Eade paints panoramic pictures of the two types of angels, Holy Angels, and Fallen Angels, to aide in a visual understanding of the Angels in the Bible. The purpose of this study of Angelology is to trace the origin, activity, and eternal destiny of angels in the Bible.

Recently angels have made a remarkable comeback in the popular imagination; their real heyday, however, was the Middle Ages. From the great shrines dedicated to Michael the Archangel at Mont-St-Michel and Monte Garano to the elaborate metaphysical speculations of the great thirteenth-century scholastics, angels dominated the physical, temporal, and intellectual landscape of the medieval West. This book offers a full-scale study of angels and angelology in the Middle Ages. Seeking to discover how and why angels became so important in medieval society, David Keck considers a wide range of fascinating questions such as: Why do angels appear on baptismal fonts? How and why did angels become normative for certain members of the church? How did they become a required course of study? Did popular beliefs about angels diverge from the angelologies of the theologians? Why did some heretics claim to derive their authority from heavenly spirits? Keck spreads his net wide in the attempt to catch traces of angels and angelic beliefs in as many portions of the medieval world as possible. Metaphysics and mystery plays, prayers and pilgrimages, Cathars and cathedrals-all these and many more disparate sources taken together reveal a society deeply engaged with angels on all its levels and in some unlikely ways.

An examination of the influence of angelology on the christology of the Apocalypse of John, first published in 1997.

This study of angelology discusses the origin, nature, activities, and destiny of angels—all based on solid, biblical teaching assuring readers that they are not alone in this world. The interest in angels has never been greater. But with so much speculation and misinformation out there, how can readers separate truth from fiction? This study of angelology discusses the origin, nature, activities, and destiny of angels—all based on solid, biblical teaching. While comprehensive in scope and biblical in foundation, this book is easy to read and understand. This fascinating and informative book assures readers that they are not alone in this world.

Set in the secluded world of cloistered abbeys, long-lost secrets and angelic humans, Angelology has all the makings of a blockbuster hit, combining elements of The Da Vinci Code and Kate Mosse's Labyrinth Sister Evangeline was just a young girl when her father left her at St. Rose Convent under the care of the Franciscan Sisters of Perpetual Adoration. Now a young woman, she has unexpectedly discovered a collection of letters dating back sixty years - letters that bring her deep into a closely guarded secret, to an ancient conflict between the millennium-old Society of Angelologists and the monstrously beautiful Nephilim, the descendants of angels and humans. Rich and mesmerizing, Angelology blends biblical lore, mythology and the fall of the Rebel Angels, creating a luminous, riveting tale of one young woman caught in a battle that will determine the fate of the world.

Colorful timeline-type charts map the panorama of biblical history in a classic seven-dispensation view. Easy-to-read oversized format.

Angels, angels, and more angels, no matter where we turn there is another story or two about angels. Angels have been the subject of hit TV shows, major movie productions, and more books than we know what to do with. So, why another book about angels? This book is more of an independent, self-study book, than it is a book telling you what I think angels are all about. This study will point you to Scripture verses and passages that deal with the angels found in the Bible. This is what God has revealed to us concerning angels. Buy this book, put in some study time, and you will know more about angels than most of your friends and enemies. BONUS Study Guide: Comes with the self-directed study "Proof of Heaven: From the Bible not Near Death Experiences."

The angels feature prominently in Augustine's works. This book offers the first comprehensive account of his angelology and its importance.

The letter of 1 Peter was written to persecuted Christians scattered throughout the Roman Empire. It was meant to both encourage and instruct them on how to live as pilgrims in a hostile society. This message is still relevant today. Christ declared that in the end times believers would be hated by all nations because of him (Matthew 24:9). With the continuing culture shift, animosity and persecution towards Christians is increasing at an alarming rate. Over four hundred Christians are martyred every day, and more saints have died for the faith in the last century than all the previous combined. The words of 1 Peter are a message of hope, desperately needed to encourage and prepare the Church for what lies ahead. Let's journey through Peter's letter together with the aid of The Bible Teacher's Guide. Expository, theological, and candidly practical! I highly recommend the Bible Teacher's Guide for anyone seeking to better understand or teach God's Word. Dr. Young-Gil Kim, Founding President of Handong Global University This study could be used by pastors as an aid for sermon preparation, by small group leaders, or by any believer who wants to understand and apply God's Word personally. I can't imagine any student of Scripture not benefiting by this work. Steven J. Cole, Pastor, Flagstaff Christian Fellowship.
