AP Biology Past Exam Questions - AP Central | College Board

The AP Biology exam used to consist of eight long-form free response questions, but in 2019 it was redesigned to consist of only six free response questions. Two of those questions are in the “short” form, and these consist of 50% of the free response score, or 25% of your total score. Long story short, those four questions may not be as long as the first two, but they still pack a big punch on your score.
