You Need to Know to Help Achieve a High Score. • Fully aligned with the latest College Board standards for AP® Psychology • Comprehensive content review for all test topics • Access to study plans, a handy list of key terms, helpful pre-college information, and more via your online Student Tools Practice Your Way to Excellence. • 5 full-length practice tests (4 in the book, 1 online) with complete answer explanations • Practice drills at the end of each content review chapter • Step-by-step explanations of sample questions to help you create your personal pacing strategy • Online study guides to strategically plan out your AP Psychology prep

Barron's AP Psychology is updated for the May 2020 exam and organized according to the new nine units of the AP Psychology course. Written by active AP Psychology teachers, this guide has the in-depth content review and practice you need to feel prepared for the exam. Packed with review of the course material, this edition features: Three full-length practice tests in the book A review of all AP test topics, including research methods, the biological basis of behavior, and treatment of disorders An abnormal psychology chapter completely overhauled to reflect the latest changes to the DSM-5 Fifteen additional multiple-choice practice questions for each unit with explained answers An analysis of the test's essay section with a sample essay

REA's test preparation book for AP Psychology provides three full-length practice exams based on official exams released by the College Board. The book includes a comprehensive review course of the topics covered on the exam: behavior, sensation and perception, cognition, learning, motivation and emotion, and developmental and abnormal psychology. This book can be used for self-study or by any class preparing for the exam.

All Access for the AP® Psychology Exam Book + Web + Mobile Revised for the new 2015 Exam Everything you need to prepare for the Advanced Placement® exam, in a study system built around you! There are many different ways to prepare for an Advanced Placement® exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This book, and the online tools that come with it, will help you personalize your AP® Psychology prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple steps: targeted review of exam content, assessment of your knowledge, and focused study in the topics where you need the most help. Here's how it works: Review the Book: Study the topics tested on the AP® Psychology exam and learn proven strategies that will help you tackle any question you may see on test day. Test Yourself and Get Feedback: As you review the book, test yourself with 7 end-of-chapter quizzes and 2 mini-tests. Score reports from your free online tests and quizzes give you a fast way to pinpoint what you really know and what you should spend more time studying. Improve Your Score: Armed with your score reports, you can personalize your study plan. Review the parts of the book where you are weakest, and use the REA Study Center to create your own unique e-flashcards, adding to the 100 free cards included with this book. Visit The REA Study Center for a suite of online tools: The best way to personalize your study plan is to get frequent feedback on what you know and what you don't. At the online REA Study Center, you can access three types of assessment: topic-level quizzes, mini-tests, and a full-length practice test. Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board®. Topic Level Quizzes: Short, 15-minute quizzes

are available throughout the review and test your immediate understanding of the topics just covered. **Mini-Tests:** Two online mini-tests cover what you've studied in each half of the book. These tests are like the actual AP® Psychology exam, only shorter, and will help you evaluate your overall understanding of the subject. **Full-Length Practice Test:** After you've finished reviewing the book, take our full-length practice exam to practice under test-day conditions. Available both in this book and online, this test gives you the most complete picture of your strengths and weaknesses. We strongly recommend that you take the online version of the exam for the added benefits of timed testing, automatic scoring, and a detailed score report. **Improving Your Score with e-Flashcards:** With your score reports from the quizzes and tests, you'll be able to see exactly which AP® Psychology topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you can access them from any computer or smartphone. REA's All Access test prep is a must-have for students taking the AP® Psychology exam!

Provides techniques for achieving high scores on the AP psychology exam and includes two full-length practice tests.
