ARABIAN NIGHTS AND DAYS. by Naguib Mahfouz · RELEASE DATE: Jan. 1, 1995. An austere modern reworking of The Thousand and One Nights – the most magical work yet set into English by Egyptian Nobel laureate Mahfouz (The Harafish, 1994, etc.). Although these intertwined fables are, like the volume that inspired them, set in the past, they deal with all-too-modern consequences of fairy-tale adventures.

I picked Arabian Nights & Days by Egyptian Nobel Laureate Naguib Mahfouz to start off the Dewey's Readathon in April, which fell on a drizzly, cheerless morning. As I love to travel to exotic and faraway places via books, I thought a trip to medieval Arabia would offer a nice antidote to such a rainy day.

Naguib Mahfouz's Arabian Nights and Days is a bitterly entertaining and compelling read. In medieval age, in some unknown Islamic town, genies pulled a series of escapades that created havoc. The clash between the genies and the townspeople was evocative of inveterate, age-old struggles of virtue, corruption, despotism, injustice, and other practices purged by conscience.

Arabian Nights And Days By Naguib Mahfouz Denys Johnson Davies

Drawing on the characters and the spirit of the classic A Thousand and One Nights, Arabian Nights and Days is a significant departure for Nobel laureate Naguib Mahfouz. Though he is best known for chronicling his own times, in this novel, first published in Arabic in 1982, Mahfouz injects new life into an Arabic masterpiece.

The Nobel Prize-winning Egyptian writer Naguib Mahfouz refashions the classic tales of Scheherazade into a novel written in his own imaginative, spellbinding style. Here are genies and flying carpets, Aladdin and Sinbad, Ali Baba, and many other familiar stories from the tradition of The One Thousand and One Nights, made new by the magical pen of the acknowledged dean of Arabic letters, who plumbs their depths for timeless truths.

A Nobel laureate's collection of five original tales inspired by the Egypt of the pharaohs brings the world of ancient Egypt face-to-face with modern times. Reprint.

The Book of a Thousand and One Nights, better known as The Arabian Nights, is a classic of world literature and the most universally known work of Arabic narrative. Although much has been written about it, Professor Ghazouli's analysis is the first to apply modern critical methodology to the study of this intricate and much-admired literary masterpiece. The author draws on a wealth of critical tools -- medieval Arabic aesthetics and poetics, mythology and folklore, allegory and comedy, postmodern literary criticism, and formal and structural analysis -- to explain the specific genius of the The Arabian Nights. The author describes and examines the internal cohesion of the book, establishing its morphology and revealing the dialectics of the frame-story and enframed cycles of narrative. She discusses various forms of narrative -- folk epics, animal fables, Sindbad voyages, and demon stories -- and analyzes them in relation to narrative works from India, Europe, and the Americas. Covering an impressive range of writings, from ancient Indian classics to the works of Shakespeare and the modern writers Jorge Luis Borges and John Barth, she places The Arabian Nights in the context of an ongoing storytelling tradition and reveals its influence on world literature.

Scheherazade's Children gathers together leading scholars to explore the reverberations of the tales of the Arabian Nights across a startlingly wide and transnational range of cultural endeavors. The contributors, drawn from a wide array of disciplines, extend their inquiries into the book's metamorphoses on stage and screen as well as in literature--from India to Japan, from Sanskrit mythology to British pantomime, from Baroque opera to puppet shows. Their highly original research illuminates little-known manifestations of the Nights, and provides unexpected contexts for understanding the book's complex history. Polemical issues are thereby given unprecedented and enlightening interpretations. Organized under the rubrics of Translating, Engaging, and Staging, these essays view the Nights corpus as a uniquely accretive cultural bundle that absorbs the works upon which it has exerted influence. In this view, the Arabian Nights is a dynamic, living and breathing cross-cultural phenomenon that has left its mark on fields as disparate as the European novel and early Indian cinema. While scholarly, the writers' approach is also lively and entertaining, and the book is richly illustrated with unusual materials to deliver a sparkling and highly original exploration of the Arabian Nights' radiating influence on world literature, performance, and culture.

Now as sumptuously packaged as they are critically acclaimed--new deluxe trade paperback editions of the beloved stories. Husain Haddawy's rapturously received translation of The Arabian Nights is based on a landmark reconstruction of the earliest extant manuscript version. Readers of this classic will also want to own Sindbad, a collection of four later stories associated with the Arabian Nights tradition, including "Sindbad the Sailor" and "Aladdin and the Magic Lamp."

In this provocative and dreamy parable, a young man disillusioned by the corruption of his homeland sets out on a quest to find Gebel, the land of perfection, from which no one has ever returned. On his way, Ibn Fattouma passes through a series of very different lands--realms where the moon is worshipped, where marriage does not exist, where kings are treated like gods, and where freedom, toleration, and justice are alternately held as the highest goods. All of these places, however, are inevitably marred by the specter of war, and Ibn Fattouma finds himself continually driven onward, ever seeking. Like the protagonists of A Pilgrim's Progress and Gulliver's Travels, Naguib Mahfouz's hero travels not through any recognizable historical landscape, but through timeless aspects of human possibility.

Selected and translated by the distinguished scholar Denys Johnson-Daivies, these stories have all the celebrated and distinctive characters and qualities found in Mahfouz's novels: The denizens of the dark, narrow alleyways of Cairo, who struggle to survive the poverty; melancholy ruminations on death; experiments with the supernatural; and witty excursions into Cairene middle-class life.

This highly charged fable set in Alexandria, Egypt, in the late 1960s, centers on the guests of the Pension Miramar as they compete for the attention of the young servant Zohra. Zohra is a beautiful peasant girl who fled her family to escape an arranged marriage. She becomes the focus of jealousies and conflicts among the Miramar's residents, who include an assortment of radicals and aristocrats floundering in the wake of the Egyptian revolution. It becomes clear that the uneducated but strong-willed Zohra is the only one among them who knows what she wants. As the situation spirals toward violence and tragedy, the same sequence of events is retold from the perspective of four different residents, in the manner of Akira Kurosawa's Rashomon, weaving a nuanced portrait of the intricacies of post-revolutionary Egyptian life.

From the Nobel Prize laureate and author of the acclaimed Cairo Trilogy, a beguiling and artfully compact novel set in Sadat's Egypt. The time is 1981, Anwar al-Sadat is president, and Egypt is lurching into the modern world. Set against this backdrop, The Day the Leader Was Killed relates the tale of a middle-class Cairene family. Rich with irony and infused with political undertones, the story is narrated alternately by the pious and mischievous family patriarch Muhtashimi Zayed, his hapless grandson Elwan, and Elwan's headstrong and beautiful fiancée Randa. The novel reaches its climax with the assassination of Sadat on October 6, 1981, an event around which the fictional plot is skillfully woven. The Day the Leader Was Killed brings us the essence of Mahfouz's genius and is further proof that he has, in the words of the Nobel citation, "formed an Arabic narrative art that applies to all mankind."

Widely acclaimed as Naguib Mahfouz's best novel, Midaq Alley brings to life one of the hustling, teeming back alleys of Cairo in the 1940s. From Zaita the cripple-maker to Kirsha the hedonistic cafe owner, from Abbas the barber who mistakes greed for love to Hamida who sells her soul to escape the alley, from waiters and widows to politicians, pimps, and poets, the inhabitants of Midaq Alley vividly evoke Egypt's largest city as it teeters on the brink of change. Never has Nobel Prize-winner Mahfouz's talent for rich and luxurious storytelling been more evident than here, in his portrait of one small street as a microcosm of the world on the threshold of modernity.
