Besam was established in 1962 with the development of automatic doors for the healthcare sector. In 1970 the business expanded with sliding door solutions and in 1985 included a portfolio of revolving doors. As the need for automatic doors grew in industries like transportation and retail, Besam expanded to several markets worldwide.

widgets.uproxx.com The added security of the Besam SL500 Protect stems from some key features. Primarily, it has been certified with a burglary resistance level of RC2 – this is a very high level of security. In order to achieve this certification, the door must withstand rigorous tests and attempts at being broken into.
