Step into Cammie Morgan’s world of intrigue in the first book of the New York Times bestselling Gallagher Girls series: I’d Tell You I Love You, But Then I’d Have to Kill You. Cammie Morgan is a student at the Gallagher Academy for Exceptional Young Women, a fairly typical all-girls school-that is, if every school taught advanced martial arts in PE and the latest in chemical warfare in science, and students received extra credit for breaking CIA codes in computer class. The Gallagher Academy might claim to be a school for geniuses but it’s really a school for spies.
