La investigación ha demostrado que aprender un segundo idioma mejora la resolución de problemas, el pensamiento crítico y las habilidades de escucha, y también mejora la memoria, la concentración y las habilidades de multitarea. Los niños que hablan otros idiomas también muestran signos de mayor creatividad y flexibilidad mental. Hay una "fase crítica" o "ventana de oportunidad" donde los niños aprenden

mejor los idiomas. Los estudios han demostrado que este es el caso cuando los niños tienen entre el nacimiento y los seis años. Cuanto más pequeños son los niños, más fácil es que aprendan un segundo idioma. A medida que envejeces, esta habilidad disminuye. Estas tarjetas de aprendizaje simples y divertidas están diseñadas para ayudar a los padres a aprender un nuevo idioma como una herramienta de aprendizaje útil para los niños.

Language and literature teaching are a keystone in the age of STEM, especially when dealing with minority communities. Practical methodologies for language learning are essential for bridging the cultural gap. Teaching Language and Literature On and Off-Canon is a critical research publication that provides a multidisciplinary, multimodal, and heterogenous perspectives on the applications of language learning and teaching practices for commonly studied languages, such as Spanish, English, and French, and less-studied languages, such as Latin, Gaelic, and ancient Semitic languages. Highlighting topics such as language acquisition, artistic literature, and minority languages, this book is essential for language teachers, linguists, academicians, curriculum designers, policymakers, administrators, researchers, and students.
