Al-Qur'an, the Guidance for mankind, is a unique translation of the Holy Qur'an in contemporary American English. It includes the Biography of the Prophet Muhammad, peace be upon him, his mission as a Prophet, his ranking as in the human history. Text is paragraphed by theme and theme is written in the margins on each page for easy reference. Its features include - (1) Field Testing the Communication of Divine Message: The unique feature of this translation is its field testing for over 3 1/2 years to improve the communication and understanding of the Divine Message. Translation passages were given to the New Muslim and Non-Muslim high school and college students for reading under the supervision of various Ulema (scholars). After reading, the person was asked to explain as to what he/she understood from the passage. If his/her understanding was the same as is in the Arabic Text of the Holy Qur'an then we concluded that we have been successful in conveying the Divine Message properly. If his/her understanding was different than what the Qur'anic verses were stating, we kept on rewording the translation until those verses were understood properly. It was tremendous patience on part of the participants. May Allah reward them all. (2) Simplicity: In this translation Simple Language and Direct Approach is used for appealing to the common sense of scholars and common people. (3) Understandability: There are no foot notes to refer and no commentary or lengthy explanations to read. All necessary explanations have been incorporated right there in the text with italic type setting to differentiate from the translation of the meanings of Qur'anic Arabic Text. (4) Outline of Pertinent Information: Before the start of each Sraah, information relating to its Period of Revelation, Major Issues, Divine Laws and Guidance has been presented as an outline. Then a summary of the preceding events has been tabulated for the reader to understand the histo! rical background to grasp the full meaning of

the Divine Message. (5) Reviews, Input and Approvals: This project was started in 1991 and initial draft completed in 1994. Then the Translation was sent to different Ulema (Scholars) in Town and throughout United States for their review and input. After their reviews and input it was sent to Jme Al-Azhar Al-Sharif in Egypt, Ummal Qur in Saudi Arabia and International Islamic University in Pakistan for their review, input and approval. This translation was published after their reviews and approvals.

The Quran is among the most influential books in the history of literature, and is a source of Islam. This translation by Sir Yusuf Ali is one of the most widely known and used in the English-speaking world.

Memorising the last 15 Surahs and Understanding the Meaning in English word by word.

"An enlarged and improved version of "Arabisches Wèörterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen Wèörterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

This is the 6th Edition and 5th revised version of this translation. The Qur'ân is, in its own words, "light," which means that it is self-manifesting, with no need of an external source of illumination; other things need light to become visible and manifest. With it God guides those who pursue His pleasure to the ways of peace, and brings them out from darkness into light by His will, and guides them to a straight path (5:16). Of course, the Qur'ân is not an exception among revealed scriptures in that it is a source of light and guidance. According to the Qur'an, so were the Torah and the Gospel, scriptures given to Moses and Jesus. All scriptures of Divine origin are a source of light and guidance. Nothing is more important for man than the knowledge of the very Source of reality. Any knowledge that is not informed with this awareness is just a kind of ignorance. All effort that does not derive from this knowledge is ultimately fated to end in futility and failure. The Qur'ân claims to be the most reliable source of this knowledge and the best guide for human endeavour. It teaches that the Source of being is also the chief Source of guidance. Expert Opinions About This Translation: This is a wonderful translation. It is both faithful and fluent. [The translator has] struck a nice balance here. It is a real improvement over existing translations.-Dr Muhammad Legenhausen What Qarai has accomplished... is a revival of the art of translation as an adjunct to the understanding of the original, skillfully adapted to the needs of the English-speaking student of the Qur'an... He has opted always for the maximum degree of closeness to

# File Type PDF English Translation Of The Meaning Of Al Quran The Guidance For Mankind English Only

the Arabic compatible with comprehensibility, thereby coordinating translation with original in the most substantial of ways. Although Qarai envisions his translation as a paraphrase of the Qur'anic meanings, as a tool for gaining access to the original, it must be stressed that his translation reads extremely well even if regular cross-reference to the Arabic not be the purpose of the reader. The language Qarai has chosen is clear, chaste, straightforward and dignified, distant from both the archaisms and the modernisms that have been affected by other English translators of the Qur'an.... It is plain, indeed, that a serious and profound appreciation of the Qur'anic message has animated the whole of Qarai's successful labours. We warmly recommend his translation to all with a serious interest in the Qur'an.-Prof. Hamid Algar

As a person who was part of a team that worked on a translation, I was often asked during this process what translation I recommend.... What I want to do in this video is first talk about two translations that I do recommend and I have often recommended, which are those by A. J. Arberry and the one by Ali Quli Qarai.... I really found this (Ali Quli Qarai's) translation to be quite excellent, and I was really surprised when I came upon it, because hardly anybody has spoken about it. One of the great things about this translation for somebody who is learning Arabic is that the translation has Arabic right next to it, but it has it phrase by phrase-not just the whole verse, but the exact phrase is next to the exact Arabic. So if you are studying Arabic, you can use this very well to identify the exact translation and the Arabic... [I]t is more accurate and more consistent than almost any other translation and more accurate than Arberry, in fact. I don't think I found any passage where I could say that Ali Quli Qarai made an egregious mistake.-Prof. Joseph Lombard (member of the team of translators of The Study Qur'an, in a video talk)<https://www.youtube.com/watch?v=cjsyGOaWE>
