I bought Enigma for \$.99. I decided to read that (since it was listed as the prequel to Live Wire) and then reread Live Wire. Since I didn't fully remember the story details of Live Wire, I had forgotten that Enigma is in the beginning of the paperback as the prologue! I never needed to purchase Enigma, but I'm glad it was only \$.99.

Meet Captain Jordan Malone. For years he has been a silent, sexy warrior and guardian, operating independent of government protocol or oversight, leading his loyal team of Elite Ops agents to fight terror at all costs. A legend in the field, Jordan's true identity has remained a mystery even to his own men...until now. Teyha Talamosi, codename Enigma, is a force to be reckoned with. A woman this striking spells nothing but trouble for Jordan. Armed with killer secrets—and body to die for—she'll bring Jordan to his knees in longing as they both take on the most deadly mission they have ever faced. Because resisting desire this strong is impossible. . . Live Wire is an Elite Ops novel from Lora Leigh.

"The lieutenant descended slowly into the quiet and gloom. As he began to step down into the control room, he was gripped by a feeling of dread. Someone could be down there waiting for him..." Hitler's U-boats rule the North Atlantic and threaten to eliminate the Allied forces supply lines through meticulously coordinated attacks using Germany's secret weapon: the Enigma. Desperate to turn the tide of the war, British scientists at Bletchley Park work tirelessly to break the codes. But there is a problem. They need the German ciphers and a working Enigma machine. In this gripping story held secret for years, you'll join the crew of HMS Bulldog as they execute a covert WWII mission to seize a functioning Enigma and the ciphers Britain so desperately needs. The bravery of these sailors saved countless lives and crippled German naval operations, eventually giving the Allied forces the victory needed to win the war and end Hitler's reign of terror.

Wanted: Real Men. Must be irresistible, good with his hands, and know how to handle any situation. . . in or out of the bedroom. Honk If You Love Real Men is a contemporary erotic anthology featuring some of the brightest up and coming names in contemporary romance and erotic romance. "Naughty Girl" by Carrie Alexander: When a sexy, sassy woman driving in her convertible catches the eye of a gorgeous construction worker, they indulge in a delicious afternoon tryst. "WANTED: One Hot Blooded Man" by Pamela Britton: A sexy firefighter is responsible for lighting more fires than putting them out! "Reno's Chance" by Lora Leigh: Ever since she was a little girl, Raven McIntire has secretly pined and longed for her best friend's sexy older brother, Reno, a Navy SEAL who has just returned home from duty. What she doesn't realize is that his only true mission is to get into her heart and get her into his bed. "Mercy Me" by Susan Donovan: A heated encounter with an irresistibly handsome doctor.

Twins Mika and Ellie live in a future behind a wall, safe from the plague animals that live beyond. Or so they've been told. When one of them disappears, and the other is caught in a sinister game, they begin to discover that their world is built on lies ...

John Vincent has always led a life of danger, and now he has every reason to want to remain as dead as the obituary in the Australian papers had proclaimed him to be. He ' d left nothing behind in the life he had once led—except for one woman, and one night of unforgettable passion. Now, both will return to haunt him... Bailey Serborne is still tormented by a past she can ' t change and a man she hasn ' t been able to forget. A man who was supposed to dead.. But now, a stroke of fate has revealed that sometimes, a woman is given a second chance to heal her heart—and exact the sweetest revenge... Heat Seeker is an Elite Ops novel from Lora Leigh.

Now a Netflix film starring and directed by Chiwetel Ejiofor, this is a gripping memoir of survival and perseverance about the heroic young inventor who brought electricity to his Malawian village. When a terrible drought struck William Kamkwamba's tiny village in Malawi, his family lost all of the season's crops, leaving them with nothing to eat and nothing to sell. William began to explore science books in his village library, looking for a solution. There, he came up with the idea that would change his family's life forever: he could build a windmill. Made out of scrap metal and old bicycle parts, William's windmill brought electricity to his home and helped his family pump the water they needed to farm the land. Retold for a younger audience, this exciting memoir shows how, even in a desperate situation, one boy's brilliant idea can light up the world. Complete with photographs, illustrations, and an epilogue that will bring readers up to date on William's story, this is the perfect edition to read and share with the whole family.

I've got 99 problems but money ain't one. Though a sister with cotton candy for brains, a spatula-wielding six-year-old niece with a British accent, and the mysterious businessman who left me that damn ticket are all currently vying for the top spot. When I became the sole winner of a \$270 million Megaball jackpot, thanks to a sexy stranger who left a lottery ticket instead of paying for his meal, my entire world flipped upside-down. Now, with money-sucking vultures, douchebags by the dozens, and a horde of total hotties just waiting to get their mangy paws on my newfound fortune, I set out to locate the man who gifted me the winning ticket—to properly thank him. However, when I finally find the cocky, self-absorbed business tycoon, Teague Goodman, I'm not sure whether I want to slap him... or ring his MEGABALLS.

During one month in the autumn of election year 2000, scores of movie-business strivers are focused on one goal: getting a piece of an elusive, but surely huge, television saga, the one that opens with Huns sweeping through Mongolia and closes with a Mormon diviner in the Las Vegas desert; the sure-to-please-everyone multigenerational TV miniseries about diviners, those miracle workers who bring water to perpetually thirsty (and hungry and love-starved) humankind. Among the wannabes: Vanessa Meandro, hot-tempered head of Means of Production, an indie film company; her harried and varied staff; a Sikh cab driver, promoted to the office of -theory and practice of TV; a bipolar bicycle messenger, who makes a fateful mis-delivery; two celebrity publicists, the Vanderbilt girls; a thriller writer who gives Botox parties; the daughter of an L.A. big-shot, who is hired to fetch Vanessa's Krispy Kremes and mors; a word man who coined the phrase -- inspired by a true story; and a supreme court justice who wants to write the script.A few true artists surface in the course of Moody's rollicking but intricately woven novel, and real emotion eventually blossoms for most of Vanessa's staff at Means of Production, even herself. The Diviners is a cautionary tale about pointless ambition; a richly detailed look at the interlocking worlds of money, politics, addiction, sex, work, and family in modern America; and a masterpiece of comedy that will bring Rick Moody to a still higher level of appreciation.
