One of the easiest ways I've found for getting free images for my art journal is by asking my friends and family for their old magazines (as well as keeping my own, of course!) I know some people save their magazines, but most will just end up in the recycle bin. I find people are more than happy to share their old magazines when they know they are going to a good cause - like your ...

The Art Journal Workshop: Break Through, Explore, and Make it Your Own. Many people want to express themselves through visual journaling, but are stuck or intimidated with how to get started, what to write, or how to move beyond gluing down a few images or putting some paint on the paper. This book breaks down the entire working process of journaling with step-by-step photos and instructions ...

Art journaling does not have to be expensive or complicated. It's one of the most forgiving ways to make art because in an art journal, everything you make is safely contained within your own personal book. You may choose to never share any of your pages with anyone (or everyone!) so it's a space where you can let loose and explore with colors, shapes, lines, and your words all at once ...

Free form art. Playful art. Art that lets you lose yourself. That helps you keep moving forward with more clarity. Art journaling is an open-ended form of art on loose paper or in a bound journal where the focus is on the process of creating and of self-expression rather than a particular end result. Drawing, mark-making, writing, painting, and collage are often components. Works often include ...
