DIVThe Battle of Gettysburg is a landmark event in United States history. Widely recognized as the Civil War's turning point, it accounted for the most casualties of any battle during the war and spelled the beginning of the end for the Confederacy./divDIV/divDIVIn this powerful graphic history, Wayne Vansant describes the history leading up to the Battle of Gettysburg, as well all of the major military events on July 1st, 2nd, and 3rd, including the famous fight for Little Round Top on the second day and the death march known as Pickett's Charge on the third and final day.He paints portraits of each army's leaders, such as Robert E. Lee, James Longstreet, George Meade, and the then little-known Joshua Chamberlain./divDIV/div Vansant concludes a few months later at the dedication of the Soldier's National Cemetery in November, 1863, when Abraham Lincoln delivered one of the most iconic speeches of all time, the Gettysburg Address. Gettysburg delivers one of the hallmark events of American history in an exciting and innovative format. DIVWayne Vansant has authored a graphic account of the Battle ofGettysburgwith rich illustrations and narrative that makes history come alive. This book will not only spark an interest in the terrible battle and sad aftermath, but will provide the reader with a good understanding of the men and armies memorialized atGettysburgNational Military Park today."- JohnHeiser, Historian, Gettysburg, PA/div

In graphic novel format, chronicles the events leading up to, and the events of, the Battle of Gettysburg, and details how the battle shaped the rest of the Civil War.

Abraham Lincoln's Gettysburg Address is familiar to all Americans. But never has his most famous speech-his 271 indelible words-been presented in such a visual and accessible format. Graphic artist and Civil War aficionado C. M. Butzer deftly uses a detailed, comic-book style to depict the Battle of Gettysburg; the national movement to create a memorial there; and the quiet day in 1863 when Lincoln delivered his galvanizing speech. Butzer uses only primary sources for the text, drawing from first-person letters and diaries, speeches, and Lincoln's own writing to unpack this series of historical events. The address itself is played out over eighteen pages, with every phrase given a visual interpretation that will resonate with young readers.

A fully illustrated graphic adaptation that offers a new look at the Gettysburg Address, the bloody battle that prompted it, and the Civil War Most of us can recall "Four score and seven years ago," but much of what we know about this historic speech, and what it has to say about the Civil War itself, has been lost since we left grade school. The Gettysburg Address offers a revolutionary way to experience Lincoln's masterwork. Striking at the underlying meaning of Lincoln's words, it uses the Address to tell the whole story of the Civil War. We see how bitter seeds sown by the Founding Fathers sprouted into a bloody war, and ultimately blossomed into the progress and justice of the Civil Rights era. The book depicts pivotal events that led to the upheaval of the secession crisis, the crucial Battle of Gettysburg, and the conflict's still-unfolding legacy with firsthand accounts from Americans from all walks of life: slaves, soldiers, citizens, and, of course, Abraham Lincoln himself—the most transformational president in U.S. history. Writer Jonathan Hennessey and illustrator Aaron McConnell illuminate history with vibrant, detailed graphics and captions that will give you a fresh understanding of this vital speech, which defined America's most tragic war and marked a new path forward.

Normandy depicts the planning and execution of Operation Overlord in 96 full-color pages. The initial paratrooper assault is shown, as well as the storming of the five D-Day beaches: Utah, Omaha, Gold, Juno, and Sword. But the story does not end there. Once the Allies got ashore, they had to stay ashore. The Germans made every effort to push them back into the sea. This book depicts the such key events in the Allied liberation of Europe as: 1. Construction of the Mulberry Harbors, two giant artificial harbors built in England and floated across the English Channel so that troops, vehicles, and supplies could be offloaded across the invasion beaches. 2. The Capture of Cherbourg, the nearest French port, against a labyrinth of German pillboxes. 3. The American fight through the heavy bocage (hedgerow country) to take the vital town of Saint-Lô. 4. The British-Canadian struggle for the city of Caen against the "Hitler Youth Division," made up of 23,000 seventeen- and eighteen-year-old Nazi fanatics. 5. The breakout of General Patton's Third Army and the desperate US 30th Division's defense of Mortaine. 6. The Falaise Pocket, known as the "Killing Ground," where the remnants of two German armies were trapped and bombed and shelled into submission. The slaughter was so great that 5,000 Germans were buried in one mass grave. 7. The Liberation of Paris, led by the 2nd Free French Armored Division, which had been fighting for four long years with this goal in mind.

Briefly describes the Civil War battle of Gettysburg and the events leading up to the first day of battle, July 1, 1863.

"A graphic history of the Civil War, told through everyday objects"--

A fully illustrated graphic adaptation that offers a new look at the Gettysburg Address, the bloody battle that prompted it, and the Civil War Most of us can recall "Four score and seven years ago," but much of what we know about this historic speech, and what it has to say about the Civil War itself, has been lost since we left grade school. The Gettysburg Address offers a revolutionary way to experience Lincoln's masterwork. Striking at the underlying meaning of Lincoln's words, it uses the Address to tell the whole story of the Civil War. We see how bitter seeds sown by the Founding Fathers sprouted into a bloody war, and ultimately blossomed into the progress and justice of the Civil Rights era.
