Goblins (The X-Files, Book 1): Amazon.co.uk: Grant ...

For the first X-Files novel that was not based on an existing plot-line, Goblins was unfortunately pretty weak. The plot played through like a mediocre Monster of the Week episode, as Mulder and Scully are sent to

Published in 1994, Goblins was the very first novel based on The X-Files television series, which at that time was relatively new, original, and growing in popularity. The action, in this case, takes place not long after the X-Files had been shut down and then reopened by the FBI (which basically puts it somewhere in the second season time period).

The idea behind Goblins is something I could easily have seen in an episode of the X Files in the early years of its run, which was when this book was written. Now for the bad news. The writing in some parts is pretty rough. For some reason Charles Grant felt the need to refer to Scully as Dana every so often and it seemed awkward and not quite right.

Amazon.com: Customer reviews: Goblins (The X-Files, Bk. 1)

Typical X-Files book that is true to the series. I enjoyed it and will try some of Grant's other works. Decent X-Files books are

Acces PDF Goblins The X Files Charles L Grant

hard to come by unless you want a graphic novel (comic book) and I appreciated this one.

Amazon.com: Customer reviews: X-files: Goblins (The X-files)

It pretends to be 'X Files' but is ruined (Ruins my fav X file book) by vulgar swearing, almost 18 certificate. If that's your thing, like murder, crime books, it would be more readable. Sometimes the X - files is a bit sombre anyway. Someone with a thicker skin would see past this and maybe enjoy the paranormal part later on. That's
