Thomas Hearns is an American former professional boxer who competed from 1977 to 2006. Nicknamed the "Motor City Cobra", and more famously "The Hitman", Hearns' tall, slender build and oversized arms and shoulders allowed him to move up over fifty pounds in his career and become the first boxer in history to win world titles in five weight divisions: welterweight, light middleweight, middleweight, super middleweight and light heavyweight. Hearns was named Fighter of the Year by The Ring magazine

Thomas Hearns - Wikipedia

Thomas Hearns is my favourite boxer of all time - his blend of blurring hand speed and vicious power offset by a suspect chin and a pair of pipe-cleaner legs that often threatened to betray him made him one of the most exhilarating fighters to watch in the 80's - winning a then-unprecedented haul of world titles in five separate weight divisions (six if you want to count a couple of lightly regarded belts at cruiserweight)

Roberto Duran, Marvelous Marvin Hagler, Sugar Ray Leonard, and Thomas "Hit Man" Hearns all formed the pantheon of boxing greats during the late 1970s and early 1980s—before the pay-per-view model, when prize fights were telecast on network television and still captured the nation's attention. Championship bouts during this era were replete with revenge and fury, often pitting one of these storied fighters against another. From training camps to locker rooms, author George Kimball was there to cover every body shot, uppercut, and TKO. Inside stories full of drama, sacrifice, fear, and pain make up this treasury of boxing tales brought to life by one of the sport's greatest writers.

ROBERTO DURAN is a sporting legend. Often called the greatest boxer of all time, he held world titles at four different weights and is the only professional in history to have fought in five different decades. His bouts with fellow greats like Sugar Ray Leonard, Thomas Hearns and Marvin Hagler have gone down in fistic folklore and his pro record of 104 wins, 69 by KO, in 120 fights puts him in an elite group of fighters. They called him Manos de Piedra: " Hands of Stone " . American journalist Christian Guidice has written the first – and definitive – story of Duran ' s extraordinary life both in and out of the ring. He has interviewed the fighter himself, his family and closest friends and scores of his opponents to separate truth from myth and get to the heart of one of the most intriguing sports stars of modern times. Duran was born in utter poverty in the Panama Canal Zone, the illegitimate son of a serving US soldier and a local girl. He grew up in the streets, fighting to survive. His talent with his fists was soon apparent, and on one fabled occasion he even knocked down a horse with a single punch for a bet. He grew into a fighter ' s fighter, and his willingness to take on anyone, anywhere, anytime and never take a step back made him a huge favorite. From his wild early bouts to his stunning boxing debut in New York, Giudice traces the blazing trail of his career: the controversial title win over Scot Ken Buchanan; his unification of the lightweight crown against great rival Esteban DeJesus; his glorious defeat of Ray Leonard and the subsequent debacle of the No Má s encounter; his ferocious comeback and redemption, and the long, eventful twilight of his matchless career. Here also are both the public and private sides of Duran: his volatility, his kindness and reckless generosity, his partying, his links with the notorious regime of General Noriega, and above all his chilling love of battle.

Marvelous Marvin Hagler is a sporting legend. Often called the greatest middleweight boxer of all time, he held the world title for 12 defenses, including bouts with Sugar Ray Leonard, Thomas Hearns, and Roberto Duran, which entered fistic folklore. From his wild early fights in the boxing wilderness of Brockton, Massachusetts, Brian and Damian Hughes trace the blazing trail of Hagler's career: the controversial defeats subsequently avenged, a riot-scarred title win in London, and his unification of the middleweight crown. Hagler became a huge favorite, taking on all comers while never taking a step back. And so to The Ring magazine's "greatest round of all time" against Hearns, his ferocious battle with Duran, and the still-controversial loss to his nemesis Leonard. Marvelous tells the story of Hagler's extraordinary life for the first time, separating truth from myth to get right to the heart of a complex and charismatic man.

The story behind the Major Motion Picture The Fighter, starring Mark Wahlberg and Christian Bale, Irish Thunder is about a boxer from a boxing family and a boxing town, but it is not a boxing book. It is about the human spirit, blind loyalty, self-preservation and self-destruction. Micky ' s dramatic victories inside the ring are recounted in detail, but it is his victory outside the ring that will leave the reader inspired.

They called him " Manos de Piedra "—Hands of Stone—and he was one of the greatest boxers of all time. Now Roberto Dur á n tells his unbelievable story: from the streets of Panama to being crowned one of the " Four Kings, " along with Hearns, Leonard, and Hagler, as he blazed a trail through the Golden Age of Boxing. Born into abject poverty, barely able to read or write, Dur á n quickly realized that his fists could both protect him on the streets and put food on the table. His reputation was established on the day when, for a bet, he knocked down a horse with a single punch. At the age of twenty-one, he claimed his first world title, against Ken Buchanan at Madison Square Garden. The legend of Manos de Piedra was born, but his most glorious moment was yet to come. In 1980, Dur á n delivered one of the greatest upsets in boxing history by defeating the previously unbeatable Sugar Ray Leonard. But greater fame brought greater distractions, and Dur á n ' s endless partying took its toll before the two superstars faced each other again. Here, for the first time ever, Dur á n confronts the debacle of the rematch that entered sporting folklore, and the truth behind the moment he was heard to utter the infamous words " No m á s "—No more. Dur á n ' s explosive performances in the ring were matched only by the volatility of his life outside it. He lurched from living like royalty to bankruptcy and, after being written off as a boxing also-ran, made a bloody, legendary comeback that gave his career the ultimate ending, and finally brought redemption. He came from nothing, and changed the world. I Am Dur á n is the autobiography of one of boxing ' s most iconic legends.

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

"This is a surprising book, a terrific book. It's not about boxing, but about an odd, demanding world in which boxing is the thread, the key to existence. Wiley deftly broadens the delineation of this world and its people. Perceptive reporting is the foundation and perceptive reporting is rare enough. Wiley enhances it with clear, quick writing laced with humor and with a sensitivity that lends brilliance to this impressive work."-Robert W. Creamer, author of Baseball and Other Matters in 1941. "Ralph Wiley, with Serenity, has produced an original book about the ring. . . . He can dig beneath the surface and show us what really happened in a bout: why Thomas Hearns, with too much faith in his powerful right hand, lost to Sugar Ray Leonard in their first match. . . . Or why Roberto Durn was acting out of prudence, not cowardice, when he quit in his second fight against Leonard. . . . Yet the book is not really about boxing. Boxing in Serenity is what T. S. Eliot, speaking of plot, called the meat a burglar brings to distract the watchdog. The book is really about growing up in a world where you had to defend yourself physically to survive."-New York Times.

"Wiley's rapport with boxers is profound."-Publisher's Weekly. "Wiley is one writer who really knows his way around a boxing ring. . . . [He writes] with passion and understanding about complex, violent men and their oddly redemptive sport."-Booklist. Ralph Wiley is the author or coauthor of several works, most recently *Born to Play: The Eric Davis Story*.

The inevitability of what was to come hung in the air but the crowd at the outdoor arena at Caesars Palace seemed as dazed as to what was happening as Duran. Hearn's, now oozing confidence, approached center ring and again touched gloves with Duran. It would be the last civil thing he did. Gliding around the ring and looking like a demented, black vampire with his goatee and Jeri curls, the Hit Man, he had reassumed the moniker for the fight, went in for the kill. Pushing Duran backwards he leapt in and clobbered the cowering fighter with a vicious right hand that staggered Duran back into the ropes again. Hearn's bounced backwards and then jumped in again with another vicious right hand and began pummeling his prey with a series of punches that kept Duran standing straight up. Roberto tried to move off the ropes, so Hearn's lured him out and then pushed him back with two probing left jabs to the chest before dropping the coup de grace. The final right hand that crashed over Duran's guard was so brutal, the impact twisted his head to the side and sucked all the air out of the arena. A collective gasp went up as Roberto Duran fell face forward to the canvas. There would be no count. Duran's corner men jumped into the ring as Hearn's leapt onto the shoulders of his handlers. It was the most dramatic knockout of Thomas Hearn's career and upped the ante for his potential challenge of Marvelous Marvin Hagler for the middleweight championship. Hearn's would fight one more bout before that showdown, a three round blast out of contender Fred Hutchings, but he would never again be so brilliantly devastating.
