KLR650 (2008-2012),

Fiat's first agricultural tractor was presented to the civil and military authorities of Turin in 1918 and marketed the following year by the Federation of Agricultural Consortia. This book uses original photographic documentation to illustrate the origins and development of the company's agricultural products, tackling the technical and human aspects of a story that has seen the introduction of over 500 models since 1918. This is the first comprehensive study of the Turin-based firm's history in the agricultural sector. This updated edition includes all the new Holland new series presented from 2008 up to 2011.

Laura Patterson is an American exchange student in Rome who, fed up with being inexpertly groped by her young Italian beau, decides there's only one sure-fire way to find a sensual man: date a chef. Then she meets Tomasso, who's handsome, young -- and cooks in the exclusive Templi restaurant. Perfect. Except, unbeknownst to Laura, Tomasso is in fact only a waiter at Templi -- it's his shy friend Bruno who is the chef. But Tomasso is the one who knows how to get the girls, and when Laura comes to dinner he persuades Bruno to help him with the charade. It works: the meal is a sensual feast, Laura is utterly seduced and Tomasso falls in lust. But it is Bruno, the real chef who has secretly prepared every dish Laura has eaten, who falls deeply and unrequitedly in love. A delicious tale of Cyrano de Bergerac-style culinary seduction, but with sensual recipes instead of love poems.
