Fundamentals of Management, 6th Edition by Robert N. Lussier presents essential management concepts using a three pronged approach of concepts, applications and skill building. Through a variety of thought-provoking applications, Lussier challenges students to think critically and apply concepts to their own experiences.

~~Management Fundamentals: Concepts, Applications, & Skill ...~~

All of the Applying the Concept boxes are new and engage students in applying the concepts to their own experiences and provide situational analysis opportunities to develop critical thinking skills. Management in Action videos illustrate fundamental management concepts using a variety of relatable scenarios and assessment questions to challenge students to apply and analyze workplace situations.
