New Look for Insiders' Guide Series We've rolled-out a new design this year for the highly popular Insiders' Guide series. This acclaimed travel series that has sold more than a million copies boasts a new look, focusing on high-end photography of each book's subject. We've removed all text but the title from the cover, allowing for the cover photo to be the main focus. Each title's spine will feature bright bands of color representing the breadth of travel our readers enjoy, and making for a striking appearance when books in the series are shelved together. Look for this eye-catching redesign at a bookstore near you!

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.

In the newest Yarn Retreat Mystery from the national bestselling author of Silence of the Lamb's Wool, dessert chef Casey Feldstein continues to develop her hidden talents for knitting...and solving murders. With two yarn retreats in the bag, Casey is looking forward to running her third one at Cadbury by the Sea's Vista Del Mar hotel on the Monterey Peninsula. This time, each knitter will get a Mystery Bag of knitting materials to turn into a personal project. But Casey gets tangled up in another retreat at the same hotel, when the organizer and his wife have a very public spat. As Casey is delivering her baked goods later that night, she finds the woman dead in the bushes with a magician's silk scarf nearby—just like the scarf Casey's ex-boyfriend, Sammy, used during his magic act at the retreat. As Sammy takes center stage as the prime suspect, Casey and her friends will have to stitch together the clues before the real killer pulls a disappearing act... Includes knitting patterns and a recipe

Only one man, with concealed, multiple identities, underground connections, hidden gold reserves and a computer network with tentacles that encompass the entire world, now has everything in place to accomplish his life-long mission to become the Ruler of the World. He alone knows the secrets encoded in the Ineffable File. He believed his secrets were buried so deeply in an enigma of such unfathomable depth that no one would ever know his true identity. One of his computers has alerted him of a threat to these files. The threat appears to be a woman author, who has written a book, that has information that could destroy him. He spans the globe searching for a woman who does not seem to exist. Time is running out for him. He must destroy her. He will soon become ruler of the world. Nothing and no one can stop him. Martha Jo Raney-Cummins is a psychologist and licensed counselor. She is also the author (Dr. M.J. Raney) of the novel, Encryption. She has a BS degree in Business Administration, an MA in Guidance and Counseling, an MS in Psychology, and is ABDPHD in Psychology. She also holds an honorary PHD. Her bio was featured in Notable Women of Texas. She and her husband are the proud parents of two daughters and five grandchildren and have residences on both the East and West coast. They can often be seen lounging aboard their beloved yacht, The Admiral. Her extensive travels have taken her around the world, including a two-year stay in Saudia Arabia. She is the President of CHILD, a not for profit organization that gives aid to homeless women and children. All the proceeds from both her novels are being donated to this charity.
