Reveals the course of archaeological adventures and insights that resulted in The Earth Chronicles series □ Explores links between the Old world and the

New in search of evidence of extraterrestrial gods in the artifacts and murals of ancient civilizations – Reveals archaeological cover-ups concerning Olmec origins in Mexico and ancient UFO artifacts in Turkey In this autobiographical book, the internationally acclaimed author Zecharia Sitchin reveals the foundational research and the adventurous expeditions that resulted in his writing the bestselling The Earth Chronicles series. Ranging from Mayan temples in Mexico to hidden artifacts in Istanbul, Turkey, from biblical tunnels in Jerusalem to the mysteries of Mt. Sinai, from the abode of a Sumerian goddess to Greek islands, the Expeditions' destinations and amazing discoveries unmasked established fallacies, detected the fate of mysterious artifacts, and revealed ancient connections to modern space facilities. For the first time, Sitchin shares with the reader not only his encompassing knowledge of antiquity and his field experiences, but also the concrete evidence for his conclusions that ancient myths were recollections of factual events, that the gods of ancient peoples were visitors to Earth from another planet, and that we are not alone in our own solar system. Accompanied by photographs from his personal archive, here is Sitchin's own story and his inner feelings about the cord that binds him to his ancestral past.

A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's The Catholic School, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

The arrival of a letter delayed by 33 years sparks off a quest that leads both on a nostalgic journey back to the 1980s and right to the heart of France today. Middle-aged doctor Alain Massoulier has received a life-changing letter – thirty-three years too late. Lost in the Paris postal system for decades, the letter from Polydor, dated 1983, offers a recording contract to The Holograms, in which Alain played lead guitar. Overcome by nostalgia, Alain is tempted to track down the members of the group. But in a world where everything and everyone has changed...where could his quest possibly take him?

Afterlife... just some gothic nightclub where gossip is fuelled by the presence of a rich and unearthly hands-on family or, Afterlife... the strange place where time seems to stand still, and guests feel the presence of something more powerful held within the confines of the VIP. Keira is new to this small, cold town, and is running from a past that seems to feast on her darkest memories. She finds living with her sister away from English soil to be just the ticket to the new life she is desperately trying to find. So, when the offer of a job at the infamous gothic nightclub Afterlife comes along, she thinks that Lady Luck has finally found her. That is until its seductively dark and forbidding owner, Dominic Draven, sets eyes on her. All at once she is captivated and plunged into a world she never knew existed but the deeper her obsession with Draven becomes, the harder it is to decide... should she stay and continue to work within the shadows of the supernatural? Or should she run from a madness she thinks may consume her?

The arrival of a mysterious savior transforms a small town in this provocative parable from "a master storyteller certain to fascinate" (Kurt Vonnegut). Everything changes when Godbody comes to town. He appears out of nowhere, enigmatic and breathtaking, to touch the lives of a chosen few. To them he offers a vision of what life could be—spreading his message of love, generosity, sensuousness, and freedom—and before long he has erased their sadness and opened their hearts. Still, there are those in town who, corrupt and powerful, are threatened by what Godbody brings, and for this reason he must pay the ultimate price. But before his preordained end, Godbody will accomplish something truly miraculous. The final book of Theodore Sturgeon's fabled career, published posthumously, *Godbody* is a powerful, moving, thought provoking, and sweetly erotic tale of love, truth, and otherworldly second comings that, once read, will never be forgotten. This ebook features an illustrated biography of Theodore Sturgeon including rare images and never-before-seen documents from the University of Kansas's Kenneth Spencer Research Library and the author's estate, among other sources.

*Fair Play* is the type of love story that is rarely told, a revelatory depiction of contentment, hard-won and exhilarating. Mari is a writer and Jonna is an artist, and they live at opposite ends of a big apartment building, their studios connected by a long attic passageway. They have argued, worked, and laughed together for decades. Yet they've never really stopped taking each other by surprise. *Fair Play* shows us Mari and Jonna's intertwined lives as they watch Fassbinder films and Westerns, critique each other's work, spend time on a solitary island (recognizable to readers of Jansson's *The Summer Book*), travel through the American Southwest, and turn life into nothing less than art.
