In this book Dalrymple provides nine stories, of nine very different people, all following the rituals and traditions of different religions in modern India (2009). The author explains in the introduction that he has kept the author in the shadows, so bringing the lives of the people I have met to the fore and placing their stories firmly centre stage.

With Nine Lives that was published last year (2009), Dalrymple travels through the length and breadth of the country to find the last remnants of mystic India. Given that westerners have always imagined ours to be a land of sadhus and snake charmers, it would be easy to conclude that Nine Lives is perhaps primarily an attempt at selling exotica.
