One or two might have been grievously overserved, but if so, it was by their own hands. the Punch bowl holds dangers as well as delights; it is freedom, and freedom is a test that some must fail. But Punch isn ' t cocktails. The cocktail is an unforgiving drink, with a very narrow margin of safety.

It has stood the test of time, and could even be called foolproof! As we learn from Punch: The Delights and Dangers of the Flowing Bowl, David Wondrich ' s wonderful boozy history of the category, punch was all the rage in merry old England in the 18th century, but their neighbors across the English Channel in France didn ' t really get it.
