Ivan Everley, 13th Baron Rothvale, would admit he's the last person on earth who should have custody over a priceless collection of art. British law affords him the title of 'Lord, ' but underneath all the trappings he's just a regular guy, despite being a world champion in archery, and certain...proclivities of a private nature. But Ivan's public celebrity is merely a sham—a carefully guarded secret borne out of the pain of betrayal. Even his cousin Ethan Blackstone doesn't know the truth behind the man he considers a brother. Lord Rothvale has a plethora of problems piled up to his aristocratic eyeballs, but that doesn't stop him from complicating his world further when a beautiful art conservationist shows up to appraise his inherited collection of paintings. Once Ivan gets a taste of Gabrielle Hargreave, mistaken identity or not, he can't think of anything but how good the green-eyed beauty felt in his arms. The chase is on, and Ivan's dominant side isn't taking 'no' for an answer—but yet, Gabrielle might just teach our discontented lord a thing or two about life, and about himself, and help them both discover the undeniable truth in what it means to find something genuinely... priceless.

Graham Everley, Lord Rothvale meets Imogene and has many paintings commissioned of her.

Naked is a wonderful paperback about the beauty of honesty and truth. It challenges you to open up to the one person that matters most.

A Deadly Game of Deception Notorious and beautiful, Vidia Swanson works as an "angel," trying to coax incriminating secrets from powerful men who may or may not be traitors of the Crown. Her latest target is suspected of stealing gold from Wellington's troops, but matters take an alarming turn when Vidia realizes that her spymaster thinks she is the one who is tainted—a double agent working for Napoleon. Backed into a corner, she can only hope to stay one step ahead of the hangman in a race to stop the next war before it destroys her—and destroys England. Tainted Angel offers up a compelling game of cat and mouse in which no one can be trusted and anyone can be tainted.
