Robyn Schneider's The Beginning of Everything is a witty and heart-wrenching teen novel that will appeal to fans of books by John Green and Ned Vizzini, novels such as The Perks of Being a Wallflower, and classics like The Great Gatsby and The Catcher in the Rye. Varsity tennis captain Ezra Faulkner was supposed to be homecoming king, but that was before—before his girlfriend cheated on him, before a car accident shattered his leg, and before he fell in love with unpredictable new girl Cassidy Thorpe. Robyn Schneider, author of *Extraordinary Means* and *The Beginning of Everything*, delivers a sharply funny, romantic girl-meets-boy novel with a twist: boy-also-meets-girl's-ghost-brother. When one girl's best friend is her dead brother's ghost, romance can be tricky. Perfect for fans of John Green and Nicola Yoon. Rose Asher believes in ghosts. She should, since she has one for a best friend: Logan, her annoying, Netflix-addicted brother, who is forever stuck at fifteen. But Rose is growing up, and when an old friend moves back to Laguna Canyon and appears in her drama class, things get complicated. Jamie Aldridge is charming, confident, and a painful reminder of the life Rose has been missing out on since her brother's death. She watches as Jamie easily rejoins their former friends—a group of magnificently silly theater nerds—while avoiding her so intensely that it must be deliberate. Yet when the two of them unexpectedly cross paths, Rose learns that Jamie has a secret of his own, one that changes everything. Rose finds herself drawn back into her old life—and to Jamie. But she quickly starts to suspect that he isn't telling her the whole truth. All Rose knows is that it's becoming harder to choose between the boy who makes her feel alive and the brother she isn't ready to lose.

At the elite Hilliard Preparatory School, the competition is fierce, the gossip is worse, and Blake Dorsey has just arrived back on campus after an unexplained two-year absence. Skylar Banks has a hunch Blake's in trouble. Skylar's the most likely candidate for valedictorian, but she's no stranger to tricky situations herself. She's got a reputation for taking her relationships straight from JV to varsity, and that rep is about to catch up with her. Charley Morton doesn't have time for Blake's problems—not if he plans to get into Harvard like his parents expect, or to win over his dream girl (a.k.a. Skylar). But then Blake takes off for New York City, and Charley, Skylar, and her roommate, Marissa, have no choice but to risk their perfect transcripts to find him. It's a journey that will change the way they see each other—and themselves—forever.

When Ellie and six of her friends return home from a camping trip deep in the bush, they find things hideously wrong -- their families gone, houses empty and abandoned, pets and stock dead. Gradually they begin to comprehend that their country has been invaded and everyone in the town has been taken prisoner. As the horrible reality of the situation becomes evident they have to make a life-and-death decision: to run back into the bush and hide, to give themselves up to be with their families, or to stay and try to fight. This reveting, tautly-drawn novel seems at times to be only a step away from today's headlines.

Join Will Carter for his freshman year, when he'll search for sex, love, and acceptance anywhere he can find it.
