Great Depression. While many of the survivors are now deceased, there is still a wealth of knowledge available in the form of DVDs, books and the Internet. Great Depression Cooking with Clara is the popular online cooking show created by Christopher Cannucciari and starring Clara. In each episode Clara prepares recipes that her

Prepper Lessons on The Great Depression

The Great Depression in the United Kingdom, also known as the Great Slump, was a period of national economic downturn in the 1930s, which had its origins in the global Great Depression. It was Britain's largest and most profound economic depression of the 20th century. The Great Depression originated in the United States in late 1929 and quickly spread to the world. Britain did not experience the boom that had characterized the U.S., Germany, Canada and Australia in the 1920s, so its effect appe

In his most recent New York Times bestselling book, The Great Depression Ahead, Harry S. Dent, Jr., predicted that the stimulus plan created in response to the first crisis would hit demographic...

The Great Depression Ahead: How to Prosper in the Crash ...

The main reason to read The Great Depression Ahead is to see the most persuasive case that can be made for an extended economic decline in the United States and other developed countries. After understanding that case, you'll be in a better position to make decisions that will leave you better off regardless if the economy recovers quickly or keeps sliding down for several years (as it did in the early 1930s).
