A Beginner ' s Guide to Growing Cannabis at Home. In most states with recreational or medical marijuana programs on the books, it is legal for adults over 21 to grow a certain number of cannabis plants in their home. The exact details of the rules can vary; for example, Oregon places the absolute limit of cannabis crops at four, regardless of how many people live in that home or at what stage of maturation the plants are, but in Maine, adults can have up to six flowering plants per household ...
