Imagine yourself in a pool of strong swimmers, all swimming clockwise. You, a Christian woman, are swimming counter-clockwise...counter-cultural, if you will. This book is for the woman who longs to rise up out of the stereotypical behavior of gossip, insecurity, pettiness, and small dreams. She has an unfulfilled desire to be someone who goes against the grain of the common for the sole purpose of living a life with conviction. The woman who reads this book is ready to believe in her deep value, ready to accept her high calling, and ready to make a difference in a world in need of her influence. Go ahead, swim against the stream to become The Uncommon Woman.

In 1637, Anne Hutchinson, a forty-six-year-old midwife who was pregnant with her sixteenth child, stood before forty male judges of the Massachusetts General Court, charged with heresy and sedition. In a time when women could not vote, hold public office, or teach outside the home, the charismatic Hutchinson wielded remarkable political power. Her unconventional ideas had attracted a following of prominent citizens eager for social reform. Hutchinson defended herself brilliantly, but the judges, faced with a perceived threat to public order, banished her for behaving in a manner "not comely for [her] sex." Written by one of Hutchinson's direct descendants, American Jezebel brings both balance and perspective to Hutchinson's story. It captures this American heroine's life in all its complexity, presenting her not as a religious fanatic, a cardboard feminist, or a raging crank—as some have portrayed her—but as a flesh-and-blood wife, mother, theologian, and political leader. The book narrates her dramatic expulsion from Massachusetts, after which her judges, still threatened by her challenges, promptly built Harvard College to enforce religious and social orthodoxies—making her the mid-wife to the nation's first college. In exile, she settled Rhode Island, becoming the only woman ever to co-found an American colony. The seeds of the American struggle for women's and human rights can be found in the story of this one woman's courageous life. American Jezebel illuminates the origins of our modern concepts of religious freedom, equal rights, and free speech, and showcases an extraordinary woman whose achievements are astonishing by the standards of any era.

A captivating non-fiction anthology filled with heroic profiles, epic tales, and timeless parables. You'll meet valiant personalities who've challenged and changed the world in remarkable ways. Their unforgettable stories are religious and secular, historical and current, unknown and familiar, foreign and domestic. Prepare to encounter priests, farmers, pilots, immigrants, missionaries, engineers, martyrs, businessmen, lawyers, pioneers, presidents, soldiers, writers, and scientists - their dynamic legacies are destined to become part of us and our heritage. Collectively, their stories answer the pertinent questions of our time: What makes a genuine hero? How can a hero personify godly character? Why is personal character so vital for our families and country? These are unique tales told with zest; these are unforgettable tales to long treasure. Enjoy the exciting profiles and parables; then share them in family, church, workplace, ministry, and educational settings because that's where they began and that's why they were written. The 26 portraits will quickly find special places in heart and head, dwelling therein to influence life's crucial choices. It's unlike any other book due to the dual advocacy on behalf of the redeeming value of stories and the critical need for reinvigorating personal and national character. Every chapter advocates making a positive impact on others and mastering the days we are given. Readers depart with an abiding conviction of the significant difference one committed life can make. No matter our past or where we find ourselves today, we will be inspired to finish well.

The New York Times bestseller is now in softcover with a bonus chapter on how the "Dare to Be Uncommon" movement is reaching schools, teams, and families across the country and an update on Tony's life since retiring as head coach of the Indianapolis Colts. What does it take to live a life of significance? When Indianapolis Colts coach Tony Dungy took home the trophy in Super Bowl XLI, fans around the world looked to him as the epitome of success. Athletic victory, professional excellence, fame and celebrity, awards and honors—he had it all. But even in that moment, he knew those achievements had little to do with his ultimate significance as a man. Coach Dungy still passionately believes that there is a different path to significance—a path characterized by attitudes, ambitions, and allegiances that are all too rare but uncommonly rewarding. In the New York Times best seller Uncommon, Dungy reveals secrets to achieving significance that he has learned from his remarkable parents, his athletic and coaching career, his mentors, and his walk with God.

An elegy to the age of the Rock Star, featuring Chuck Berry, Elvis, Madonna, Bowie, Prince, and more, uncommon people whose lives were transformed by rock and who, in turn, shaped our culture Recklessness, thy name is rock. The age of the rock star, like the age of the cowboy, has passed. Like the cowboy, the idea of the rock star lives on in our imaginations. What did we see in them? Swagger. Recklessness. Sexual charisma. Damn-the-torpedoes self-belief. A certain way of carrying themselves. Good hair. Interesting shoes. Talent we wished we had. What did we want of them? To be larger than life but also like us. To live out their songs. To stay young forever. No wonder many didn't stay the course. In Uncommon People, David Hepworth zeroes in on defining moments and turning points in the lives of forty rock stars from 1955 to 1995, taking us on a journey to burst a hundred myths and create a hundred more. As this tribe of uniquely motivated nobodies went about turning themselves into the ultimate somebodies, they also shaped us, our real lives and our fantasies. Uncommon People isn't just their story. It's ours as well.

From one of England's most celebrated writers, a funny and superbly observed novella about the Queen of England and the subversive power of reading When her corgis stray into a mobile library parked near Buckingham Palace, the Queen feels duty-bound to borrow a book. Discovering the joy of reading widely (from J. R. Ackerley, Jean Genet, and Ivy Compton-Burnett to the classics) and intelligently, she finds that her view of the world changes dramatically. Abetted in her newfound obsession by Norman, a young man from the royal kitchens, the Queen comes to question the prescribed order of the world and loses patience with the routines of her role as monarch. Her new passion for reading initially alarms the palace staff and soon leads to surprising and very funny consequences for the country at large. With the poignant and mischievous wit of The History Boys, England's best loved author Alan Bennett revels in the power of literature to change even the most uncommon reader's life.

Acclaimed, award-winning essayist and novelist Brian Doyle (1956-2017)--whose writing, in the words of Mary Oliver, is "a gift to us all"--presents one hundred original prayers that evoke his deep Catholic belief in the mystery and miracle of the ordinary (and the whimsical) in human life. In, A Book of Uncommon Prayer: 100 Celebrations of the Miracle & Muddle of the Ordinary, which was named "A Best Spiritual Book of the Year" by Spirituality & Practice, you will find a series of prayers unlike any of the beautiful, formal, orthodox prayers of the Catholic tradition or the warm, extemporized prayers heard from pulpits and dinner tables. Doyle's often-dazzling, always-poignant prayers include eye-opening hymns to shoes and faith and family. In Doyle's words, "the world is crammed with miracles, so crammed and tumultuous that if we stop, see, savor, we are agog," and the pages of his newest book give voice and body to this credo. By focusing on experiences that may seem the most unprayerful (one prayer is titled "Prayer on Seeing Yet Another Egregious Parade of Muddy Paw Prints on the Floor"), he gives permission to discover the joys and treasures in what he often calls the muddle of everyday life.

A collection of seventeen wonderful short stories showing that two-time Oscar winner Tom Hanks is as talented a writer as he is an actor. A gentle Eastern European immigrant arrives in New York City after his family and

his life have been torn apart by his country's civil war. A man who loves to bowl rolls a perfect game--and then another and then another and then many more in a row until he winds up ESPN's newest celebrity, and he must decide if the combination of perfection and celebrity has ruined the thing he loves. An eccentric billionaire and his faithful executive assistant venture into America looking for acquisitions and discover a down and out motel, romance, and a bit of real life. These are just some of the tales Tom Hanks tells in this first collection of his short stories. They are surprising, intelligent, heartwarming, and, for the millions and millions of Tom Hanks fans, an absolute must-have!

Beloved nun and social activist Joan Chittister, who appeared on Oprah's Super Soul Sunday, offers a soul-stirring and inspiring guide that speaks to all who feel disillusioned and dissatisfied with the power-hungry institutions and systems of this world. Joan Chittister has been a passionate voice for women's rights for over 50 years. Called "one of the most well-known and trusted contemporary spiritual authors" by Publishers Weekly, this rabble-rousing force of nature for social justice and fervent proponent of personal faith and spiritual fulfillment draws on the wisdom of prophets--both ancient and modern--to help us confront the societal forces that oppress and silence the sacred voices among us. Pairing scriptural insights with stirring narratives of the truth-tellers that came before us, Sister Joan offers a compelling vision for readers to combat complacency and to propel ourselves toward creating a world of justice, freedom, peace, and empowerment. For the weary, the cranky, and the fearful, Sister Joan's energizing message invites us to participate in a vision for a world greater than the one we find ourselves in today. This is spirituality in action, this is practical and powerful activism for our times.
