At the tender age of five, Madeleine was living a daily nightmare. In a dark, grey building on Jersey, she was just another orphan, defenceless and alone. She was also an easy target. The care home manager was abusing her, using her like she was his toy. And, worse still, the home was selling the children to men who would inflict on them the worse possible abuse.

Review for 'They stole my innocence' by Madeleine Vibert. A harrowing true story of a young girl who suffered abuse from a very young age by many people who were meant to care for her. It was very sad to read that even when she thought she had finally escaped she was sent straight back into the hands of her abusers not once but several times.
