Wole Soyinka uses two main literary devices to drive home the message of the poem. The first of the two is imagery. Right at the beginning, the imagery used to describe the mental image the man has of the woman: "lipstick coated, gold rolled cigarette holder piped", just from listening to her voice shows one that he thinks that she is, socially speaking above him, from a higher social class.

This timely and expansive biography of Wole Soyinka, the Nigerian writer, Nobel laureate, and social activist, shows how the author's early years influence his life's work and how

his writing, in turn, informs his political engagement. Three sections spanning his life, major texts, and place in history, connect Soyinka's legacy with global issues beyond the borders of his own country, and indeed beyond the African continent. Covering his encounters with the widespread rise of kleptocratic rule and international corporate corruption, his reflection on the human condition of the North-South divide, and the consequences of postcolonialism, this comprehensive biography locates Wole Soyinka as a global figure whose life and works have made him a subject of conversation in the public sphere, as well as one of Africa's most successful and popular authors. Looking at the different forms of Soyinka's work--plays, novels, and memoirs, among others--this volume argues that Soyinka used writing to inform, mobilize, and sometimes incite civil action, in a decades-long attempt at literary social engineering.

The first African to receive the Nobel Prize in Literature, as well as a political activist of prodigious energies, Wole Soyinka now follows his modern classic *Ake: The Years of Childhood* with an equally important chronicle of his turbulent life as an adult in (and in exile from) his beloved, beleaguered homeland. In the tough, humane, and lyrical language that has typified his plays and novels, Soyinka captures the indomitable spirit of Nigeria itself by

bringing to life the friends and family who bolstered and inspired him, and by describing the pioneering theater works that defied censure and tradition. Soyinka not only recounts his exile and the terrible reign of General Sani Abacha, but shares vivid memories and playful anecdotes—including his improbable friendship with a prominent Nigerian businessman and the time he smuggled a frozen wildcat into America so that his students could experience a proper Nigerian barbecue. More than a major figure in the world of literature, Wole Soyinka is a courageous voice for human rights, democracy, and freedom. *You Must Set Forth at Dawn* is an intimate chronicle of his thrilling public life, a meditation on justice and tyranny, and a mesmerizing testament to a ravaged yet hopeful land.

This handbook investigates the current state and future possibilities of African Philosophy, as a discipline and as a practice, vis-à-vis the challenge of African development and Africa's place in a globalized, neoliberal capitalist economy. The volume offers a comprehensive survey of the philosophical enterprise in Africa, especially with reference to current discourses, arguments and new issues—feminism and gender, terrorism and fundamentalism, sexuality, development, identity, pedagogy and multidisciplinary, etc.—that are significant for understanding how Africa can resume its arrested march towards decolonization and liberation.

Everything Good Will Come introduces an important new voice in contemporary fiction. With insight and a lyrical wisdom, Nigerian-born Sefi Atta has written a powerful and eloquent story set in her African homeland. It is 1971, a year after the Biafran War, and Nigeria is under military rule—though the politics of the state matter less than those of her home to Enitan Taiwo, an eleven-year-old girl tired of waiting for school to start. Will her mother, who has become deeply religious since the death of Enitan's brother, allow her friendship with the new girl next door, the brash and beautiful Sheri Bakare? This novel charts the fate of these two African girls; one who is prepared to manipulate the traditional system and one who attempts to defy it. Written in the voice of Enitan, the novel traces this unusual friendship into their adult lives, against the backdrop of tragedy, family strife, and a war-torn Nigeria. In the end, Everything Good Will Come is Enitan's story; one of a

fiercely intelligent, strong young woman coming of age in a culture that still insists on feminine submission. Enitan bucks the familial and political systems until she is confronted with the one desire too precious to forfeit in the name of personal freedom: her desire for a child. Everything Good Will Come evokes the sights and smells of Africa while imparting a wise and universal story of love, friendship, prejudice, survival, politics, and the cost of divided loyalties.
