Keeping geography relevant and up-to-date through country-by-country coverage and online updates, this standards-based program helps students understand how geography affects their lives. The text's strong maps and visuals present key concepts in human and physical geography, while step-by-step skills instruction prepares students for success on assessment. An award-winning video collection helps students develop mental maps of their world through maps, animation, live footage, and case studies.

World Geography: Building a Global Perspective is a standards-based program that helps students understand how geography impacts their lives. The story-telling narrative and integrated visuals - combined with user-friendly teacher support and interactive tools - makes it easy to present lessons that are both current and compelling. The program keeps geography relevant through its in-depth, country-by-country coverage, and up-to-date through online current events updates. It presents key concepts through maps and visuals and prepares students for success on geography assessment.
